

Fiesta Gaucha in Santa Susana

With this fantastic day tour you will spend a lovely day in the countryside driving through the scenic rich farming area of the pampas and visiting a typical traditional Argentine ranch where you will be welcomed with 'empanadas' (meat pie), wine and juice, followed by a typical Argentine barbecue or 'asado'.

Enjoy sampling grilled specialties such as sausages and chicken, accompanied by salad and beverages (red and white wine, soda, water and coffee). Then sip on a glass of mate (yerba mate leaves steeped in hot water) and finish with a pastelito (pastry). Local musicians will entertain you with traditional music and dance while you enjoy your meal. Admire the heart pounding typical tango dance that is an Argentinian heritage. Please feel free to join in as audience participation is appreciated.

Following lunch, the famous gauchos (Argentinian cowboys) from the Pampas region will demonstrate their athletic skills and horsemanship, leaving you with an unforgettable memory of the grasslands of Argentina. Be impressed by a ring race (known as la sortija), animal herding and the cuadreras race, a typical gaucho game.

Take a guided tour to some of Santa Susana's attractions, including its museum and church, before enjoying a horse-drawn carriage ride or going horseback riding to explore the grounds of the ranch.

You can enjoy a private service, with only your family and friends. You choose the start time of the tour and will be collected at your hotel and be dropped off at that restaurant you have been waiting to try.
