

Buenos Aires City Tour with Lunch at Puerto Madero

This is the most complete city tour of Buenos Aires. It will allow you to visit Recoleta, Palermo Woods, Downtown area, San Telmo, La Boca and Puerto Madero.

The Highlights are Theater Colon, The Obelisk, Plaza de Mayo square and Caminito are part of our great Buenos Aires sightseeing tour.

We begin our tour picking up all passengers at their hotels. From there we'll take you on a journey through this unique city, full of passion, history, culture and magic. We will start our tour through one of the main avenues : the 9th of July Avenue, where we'll see the Teatro Colon and the Obelisk.

Afterwards we will visit the Plaza de Mayo, where we will do our first stop, There was the historical, political and foundational epicenter of the city; We will be able to take Photos of the Metropolitan Cathedral, the Government House, the Cabildo. The tour continues south through the old neighborhood of San Telmo, passing through Parque Lezama.

We'll continue even further south to reach the neighborhood of La Boca, where we have our second stop. Famous for the stadium of Boca Juniors, one of the greatest exponents of the Argentinian passion: Football; and also important for Caminito, one of the biggest Tourist Attractions, full of color, magic and history.

After the break we move to Puerto Madero, which is one of the newest, most exclusive and most modern neighborhoods in Buenos Aires with its main areas of Retiro and Plaza San Martin. We'll move on to Palermo, which is Buenos Aires main green area. The last neighbourhood we'll visit is the exclusive and sophisticated neighborhood of La Recoleta.

After the city tour we will have lunch at one of the most distinguished restaurants in Puerto Madero where you could try different cuts of meat and taste the biggest variety of starters, garnishes and desserts. All this in a unique place with an outstanding service.
